DATE: November 18, 2004

TO: Scott Peters, Councilmember, District One

FROM: Jeff Bowman, Fire Chief

SUBJECT: Engine 35 District: Fire and EMS Service Concerns Serving University City

---

San Diego Fire-Rescue Department is in receipt of your memo dated November 10, 2004 referencing the above subject. My staff recommends working in conjunction with the Development Services Department, Real Estate Assets, Facilities Financing and the Planning Department to evaluate the current service levels and to identify possible options to improve service in this area. Assistant Fire Chief Tracy Jarman will be the primary contact for our department. She can be reached at 533-4302 or via email at [Tjarman@sandiego.gov](mailto:Tjarman@sandiego.gov). Please advise us as to who from your staff would be the appropriate contact person. We look forward to working together to address the service concerns in University City.
